**Subject: Fuel Surcharge – Alaska**

Due to a steady increase in fuel related costs over the last 3 months, Matson will increase Ocean, Inland Motor and Inland Rail fuel surcharges from 19.5% to 21% in converted contract Tariff Rules 137, 138 and 139. Non-converted contract Tariff Rules 337, 338, and 339 will increase from 39% to 42%. These changes will be effective Sunday, January 21, 2018.

Matson is continuing its longstanding practice of giving its customers 30 days' notice for upward rate adjustments, and passing along decreases as soon as possible. As always, we will continue to closely monitor trends in fuel costs and adjust the surcharge accordingly.
